

# THE TOWN CHURCH

We are excited to gather again in person!

However, due to the presence of COVID-19, we will be making several modifications to our services in order to love each other well. Many of these modifications are taken from Larimer County's health guidelines for churches and apply to this first phase of our re-gathering.

These modifications include:

1. Setting up an RSVP system to ensure adequate physical space in each service. Only one person or family unit can reserve each pew.
2. Asking you to remain home if you are experiencing any COVID-19-related symptoms. Our service will be available to view on our [YouTube channel](#).
3. Requiring face masks at all times while in the building. If you need one, we'll have some available at the front door.
4. Sitting in the specific pew you reserved. You do not need your ticket.
5. Providing pre-packaged elements for Communion.
6. Disinfecting between each service.
7. Entering the main doors on Oak St, and exiting the doors facing Whedbee St.
8. Refraining from congregating by the doors. You are welcome to use the grass on the east side of the building to maintain social distancing requirements, or catch-up at a location off-site.
9. Closing the lobby, kitchen and children's wing.
10. Asking us all to please be sensitive to the varying comfort levels of the people around us (don't immediately go in for that hug) and extend grace to each other.
